Extra Virgin olive oil declared

68 Greek olive growers from Peloponnese and Crete have made a joint effort to create an EPD for olive oil. The EPD gives the environmental impact from extra virgin olive oil produced 2010-2011 and bottled in 21 390 numbered packages of 0.75 litres.

Korsnäs launches EPDs on packaging material

While many companies focus merely on the impacts of its products, Korsnäs has chosen to show a wider picture of its environmental work and company impact in its EPDs.

Digging into steel - EPDs in the mooring sector

Vicinay Cadenas was the first company in the mooring sector to apply for an EPD for one of its products. Prior to registering the EPD, the company worked out a baseline for its environmental impact.
